Dear U.S. Bankruptcy Court:

**Nathan Ochsner, Clerk of Court**

I am a preferred shareholder in Altera Infrastructure and thus a claimant in this case. I wish to file an objection to the proposed disclosure statement and the proposed plan of reorganization.

I am not an attorney, and thus cannot use CM/ECF. My understanding is that I can submit the document by emailing to this address.

I have attached my objection to this email in both Word and PDF first. I would be very grateful if you could submit the attached document to the court. Please let me know if this is not the correct way to proceed, and if there is anything else I need to do to get this in the record.

Thank you so much. If you have any questions, please don't hesitate to call me at (703) 851-8575.

THANK YOU!

Jim
